

**REDUCE  
SUPPLIER RISK**

**INCREASE  
SUPPLY CHAIN  
VISIBILITY**

**PROTECT  
YOUR BRAND**

**DO YOU KNOW WHO  
YOUR CONTRACTORS  
AND SUPPLIERS ARE?**

Today, more than ever, it is crucial that companies conduct the necessary vendor, supplier and contractor screening to protect their business.

**BE CERTAIN WITH EVERIFILE**

eVerifile works with leaders in a range of regulated industries to implement custom contractor screening programs to help ensure safety standards are met. From criminal background checks to credentialing, eVerifile's contractor screening platform provides cloud-based solution to ensure you have full visibility into your contractor workforce.

### INTEGRATED CONTRACTOR SCREENING PLATFORM

#### CRIMINAL BACKGROUND CHECKS

- Quickly and accurately identify security risks
- Screen for criminal activity at the federal, state and county levels

#### TRAINING & BADGING

- Hosted safety training and testing videos
- Easy, online employee and contractor badging solutions

#### EDUCATION, EMPLOYMENT & REFERENCE VERIFICATION

- Verification on education and employment records
- Interviews with previous employers for work history evaluation

#### DRUG TESTING

- Pre-employment & random testing solutions
- Installed (on-site), collection (lab-based) & out-of-network options
